

# How to Adjust YouTube Video Settings

1. Sign into YouTube and go to the menu.
2. Select “Your videos” from the menu.
3. Click on your audition video to open it.

4. Once it's open, click on “Edit Video” in the lower right-hand corner.

5. Under “Audience,” choose “No, it's not made for kids.”
6. Under “Visibility,” choose “Unlisted.”
7. When you are done, click “save.” You did it!
